

Corporate Social Responsibility Statement

This policy relates to the social and non-regulatory aspects of Obr Construction undertakings.

For Obr Construction, Corporate Responsibility is about living the values and principles that govern the way we operate as an organisation and behave as individuals.

Obr Construction recognises the impacts that we make on society, the economy and the planet. We seek to make a positive difference in the places where we operate. Our aim is to be good corporate citizens and to support the local communities in which we operate.

Our vision for Corporate Social Responsibility is to:

- Conduct our business activities in a manner that promotes economic, social and environmental benefits to all stakeholders.
- Have a positive impact on our people, the communities we work in and the wider environment.
- Encourage innovative approaches and best practice.
- Adhere to the construction industries 'respect for people' initiative.
- Continuously improve towards more sustainable and environmental friendly ways of working.

This Policy applies to all Obr Construction offices and construction projects. It has been issued under the authority of the three directors, Stephen Connolly, Mike O Sullivan and Dan O Brien.
